

Pre-School Camps

During Pre-School Camps, children will learn and have fun!

All Camps meet from 10 – 11:30 at my house and include:

- Learning Centers and Games
- Literature Connections
- Hands-on Lessons and Activities integrated with Science, Math, and/or Language Arts
- Snack

Tuesday, May 30- Detective Camp (Reading, Math, and Thinking skills) - During Detective camp, we will do a variety of mystery activities while playing games, reading stories, eating snack, and making a craft

Thursday, June 1- Science Camp (Variety of Science Investigations)

Science camp gives children a chance to explore and investigate a variety of science topics about space, gravity, hot vs. cold, sound, and do a fun investigation with snack.

Monday, June 5 - Around the World Camp (Social Studies Connections)

We will travel to a few countries and experience celebrations around the world through games, crafts, and a snack!

Tuesday, June 6– Camping Day (Nature Activities too)

We will do a variety of activities that go along with camping. They will make a special snack, paint with marshmallows, do flashlight reading, and many other camping day activities!

Tuesday, June 8- Olympics- We will do a variety of games and activities to celebrate friendship, unity, and peace while we explore different sports from the Summer Olympics. We will also have a special snack.

See Registration Form to register or you can register online at my website kimleelearning.com.

Please make checks payable to Kim Lee Learning LLC\$30 per class. Payment and registration form need to be returned to confirm your child's spot. Any questions e-mail Kim at kimleelearning@gmail.com.
