

MHNS Clubs begin the week of September 24, 2018

What are Discovery Clubs?

Clubs offer an opportunity for children to explore and discover a variety of topics. Small group, hands-on, child-centered activities peak and satisfy their natural desire to learn.

Who is eligible to participate in MHNS Clubs?

- 2-5 year olds, please see individual club for age restrictions.
- Children do not need to attend Mt. Hebron Nursery School, but preference will be given to in-house students.

Can my child participate in Clubs if it's not his/her school day?

Yes, be sure to mark your calendar, so you don't forget!

How much do these programs cost?

Costs will vary depending upon the activity, staffing, & supplies needed.

How do I register my child?

Complete the Clubs Registration Form. Payment must be received with your Registration/Request form. In addition, Soccer Shots, Jump Bunch and Tic-Talk Spanish has a required online registration. First-come, first-served.

How do I pay?

Checks for Clubs should be made out to: MHNS, except for Soccer Shots, Jump Bunch and Tic-Talk Spanish, which has an online payment. In the memo section of the check, please write "Clubs" and your child's name.

Where does my completed paperwork go?

Place registration forms in an envelope marked "Clubs" with your child's name and teacher. Please return to Front Office.

Are there refunds?

We are unable to offer refunds unless your request cannot be filled.

What is the policy for inclement weather or schedule changes?

If the building is open, the club will run as scheduled, even if there is a field trip or other event for your class. If the building is closed due to inclement weather, clubs will be cancelled and we will do our best to reschedule.

Who determines which Clubs are offered?

Clubs are selected with much consideration based on previous popularity, availability of staff and resources, feedback from children and parents, and space availability. We welcome suggestions for current and future programming.

How does my child get to the Club location?

The Club's instructor will pick your child up at his/her classroom and escort the students to the Club location. If your child is attending a Club not on his/her regular school day, you may check in at the front office to confirm where your child should meet the group.

Where will my child be at dismissal time?

Enter the building through the main door at pick up and proceed to the location listed in the brochure for your Club.

*Soccer Shots will be held **outside** for fall and spring sessions and **inside** the Fellowship Hall for the winter session.

Zenergetic Kids

Zenergetic Kids combines language and literacy activities with yoga to foster development in young children. Thematic units containing yoga poses, stories, songs, and games are used to provide a unique and engaging learning experience. Children learn a variety of developmentally appropriate skills while having fun. In a Zenergetic Kids class, children might hop on a train, rocket ship, or magic carpet and travel to exotic locations on a yoga adventure. Along the way, we could see animals, meet mythical creatures, and explore nature. Our only limit is our imagination! Every class ends with a few minutes of well-deserved relaxation.

Reading and Writing Workshop

Every day is a reading and writing day! Come listen to literature and explore writing during our Reading and Writing Workshop. Students will participate in literature based reading and writing activities that follow the common core curriculum. They will complete writing and art activities to respond to their reading. Games will be played to identify letter names and sounds and students will blend sounds together to read words. They will also practice handwriting using proper letter formation. Children will take home handwriting practice sheets (optional homework) along with activities they complete each week. Parents will receive an email explaining each week's lesson. Extension ideas as well as online games will be suggested.

JumpBunch Kids

JumpBunch introduces your child, ages 2-5 years old, to more than 70 different sports and fitness activities in a weekly program, conveniently offered right at your school. Our classes provide an exciting opportunity for students to build confidence and develop a love for fitness, sports and an active lifestyle, in a non-competitive atmosphere. We bring equipment for each child, and in each class the children experience a new sport or fitness activity. Examples for this session include Football, Kooshie Bounce, Obstacle Course, Basketball, and more. Kids are more excited to go to school when enrolled in JumpBunch! Please register at: <https://www.jumpbunch.com/central-maryland> Don't forget to send in your registration form attached to MHNS, so we know you've registered.
